

15W IP54 Bulkhead

This attractive bulkhead boasts low energy consumption due to using the latest LED technology. It is available in several options including emergency, sensor and emergency with sensor thus allowing for energy savings.

Specification:

Wattage	15W
Luminous Flux	940-1140 lm
CCT	Warm white - 3K Natural white - 4K Cool white - 6K
Input AC	100 - 240V
LED Type	3528 LED
Life Span	>50,000 hours
Operating Temperature	-20° to +50°
Dimensions	330x330x110mm
CRI	>75
Power Factor	0.9
IP Rating	IP54
Warranty	3 years

Sensor Version

The microwave sensor switches to full power when motion is detected and reduces to 25% power when there is no movement. These settings are also customisable.

Sensor	Microwave
Sensor Detection Angle	140 degree
Sensing level	5 min max (adjustable)

Emergency Version

The unit will switch to battery when the power is cut and reduces output to 30% to conserve battery life. These settings are customisable.

Battery	9.6V 2.2AH NI-MH Rechargeable
Emergency Duration	>3 or customised
Charge Time	<12 hours

Emergency with Sensor Version

This maximises both the emergency and sensor functions to increase energy savings.

Battery	9.6V 2.2AH NI-MH Rechargeable
Emergency Duration	>3 or customised
Charge Time	<12 hours
Sensor	Microwave
Sensor Detection Angle	140 degree
Sensing Interval	5 min max (adjustable)
